

S.No	Abstract ID	Abstract Title	Presenting Author Name
1	121	Re-Evaluation And Re-Staging Of Endometrial Tumors With Respect To Latest Figo-2023 Staging	Dr Aastha Kalra
2	119	Clinical Characteristics, Post Op Complications And Survival Outcomes In A Retrospective Analysiss Of A Regional Cancer Centre	Dr Fatima Abbas
3	116	Fertility Outcome In Endometrioid Endometrial Cancer- A Case Report	Dr Sushree Sangeeta Rout
4	114	A Rare Case Of Isolated Perineal Relapse Of Squamous Cell Carcinoma Of Cervix	Dr Guneet Kaur
5	113	Agonizing Angiomyofibroblastoma: A Management Challenge	Dr Devika J Kamat
6	112	Assessment Of Quality Of Life After Nerve Sparing Radical Hysterectomy For Cervical Cancer : A Questionnaire Based Analysis	Dr Navin Srinivasan
7	111	Transforming Women'S Gynaecological Cancer Care: Role Of Wgs And Pgx In Predisposition And Personalized Treatment	Dr Jyoti Bajpai Dikshit
8	108	Clinico-Pathological Factors Predicting Recurrence In Cases Of Advanced High Grade Serous Epithelial Ovarian Cancer Treated With Neoadjuvant Chemotherapy (Nact) Followed By Interval Debulking Surgery	Dr Tanya Mudgal
9	105	Rare Presentation Of Primary Ovarian Epithelioid Trophoblastic Tumor (Ett) As Abdominal Wall Recurrence	Dr Tejas S V
10	104	Reccurence And Survival In Carcinoma Endometrium In A Tertiary Cancer Center	Dr Neethu S
11	103	Low Grade Serous Carcinoma In Pregnancy Masquerading As Cervical Cancer: A Diagnostic And Therapeutic Challenge	Dr Richa Garg
12	101	Silent Intruder - Incidental Detection Of Endometrial Carcinoma In A Benign Hysterectomy.	Dr Shreya Sharma
13	100	Clinicopathological Characteristics And Prognostic Factors Of Synchronous Endometrial And Ovarian Cancers: A Single-Institute Review Of 43 Cases	Dr Khyati Gupta

14	99	A Prospective Study To Assess Response And Toxicity Of Hyperfractionated Concurrent Chemo-Radiotherapy As Compare To Conventional Regimen In Locally Advanced Case Of Carcinoma Cervix	Dr Pratibha Hadgainya
15	96	Histopathological Assessment Of Endometrial Biopsies In Medically Managed Endometrial Hyperplasia And Endometrioid Carcinoma: An Original Study From A Tertiary Care Hospital In North India	Dr Sunil Kumar Mallick
16	95	Synchronous Primary Endometrial Endometrioid Adenocarcinoma And High Grade Serous Ovarian Carcinoma: A Rare Case Study	Dr Priyanka Jain
17	93	Expression Of P53 In Differentiating Between Hydropic Abortus And Hydatidiform Mole	Dr Samridhi Singh
18	88	Deciphering The Rare Type Lymphoma Of Female Genital Tract And Breast: Multidimensional Study With Key Insight And Survival Outcome	Dr Pallavi S Ladda
19	87	Integrated Clinicopathological And Molecular Analysis Of Clinically Uterus Confined Endometrial Carcinoma: A Single Institute Experience	Dr Tarini Sonwani
20	85	An Unexpected Cause Of Postmenopausal Bleeding – A Gynecologist'S Dilemma	Dr Akshitha Porika
21	84	Molecular Characterisation Of Endometrial Cancer- A Single Institutional Analysis	Dr Gogireddy. Devi Priyanka
22	83	Insights Into Gastric-Type Endocervical Adenocarcinoma And Adenocarcinoma In-Situ: A Five-Year Experience Of Eleven Cases	Dr Shreya Kaul
23	80	Molecular Subtype And Histopathologic Features As Predictors Of Nodal Metastasis In Endometrial Cancer Patients: A Single Center Retrospective Study	Dr Neha Bakshi
24	79	Mitotically Active Cellular Fibroma Of Ovary: A Case Report And Review Of Literature	Dr Spurti
25	78	Neuroendocrine Carcinoma Of Female Genital Tract: A Case Report.	Dr Neha Garg
26	77	A Case Report Of Synchronous Vulvar And Lung Malignancy: A Rare And Challenging Clinical Entity	Dr Juhi Lalit Khithani
27	76	Leiomyosarcoma Of The Vulva: A Systematic Review	Dr Anirudh Singh

28	75	A Rare Case Report On Malignant Transformation Of Dermoid Cyst	Dr Kraty Vijay
29	73	Quality Of Life In Gynecologic Cancer Survivors: Insights From An Institutional Study	Dr Priyanka Parihar
30	72	Advanced Stage Dysgerminoma In A Young Patient, A Case Study Of Ovarian Cancer With Lymphatic Spread	Dr Avni Mittal
31	70	Malignant Peripheral Nerve Sheath Tumor In Dermoid Cyst	Dr Swarnima Toshniwal
32	69	Concurrent Endometrial And Vulvar Cancer:A Rare Case Scenario	Dr Shamlee Sharma
33	68	The Evolving Scenario Of Immunohistochemistry In Gynecologic Oncology: A Brief Study Of Gynecological Malignancies	Dr Ishita Nagda
34	67	Title: Theragnostic Relevance Of Pole Mutated Endometrial Cancers.	Dr Bhavya Bariar
35	66	Endometrial Actinomycosis In A Patient With Uterine Leiomyoma And Abnormal Uterine Bleeding In The Absence Of An Intrauterine Contraceptive Device: A Rare Case Report	Dr Dinesh Kumar
36	65	Recurrence	Dr Monish Balaji S
37	63	"Unicentric Castleman Disease: A Diagnostic Dilemma And Surgical Resolution"	Dr Rishav Dubey
38	62	Juvenile Granulosa Cell Tumor In Pregnancy: A Rare Case Report	Dr Kavita Khoiwal
39	60	Quality Of Life Assessment Among Gynaecological Cancer Patients In A Tertiary Hospital	Dr Archana Mishra
40	59	Struma Ovarii: Case Report Of A Rare Teratoma Of The Ovary	Dr Anamika Neha Linda
41	58	Endometrial Stromal Sarcoma : A Rare Case Report	Dr Kritika

42	57	Case Report On Uterine Inversion Secondary To Endometrial Stromal Sarcoma: A Diagnostic Challenge.	Dr Sumanjot Kaur
43	56	When Cancer Strikes Rarely- The Enigma Of Vaginal Vault Sarcomas	Dr Prachitara Das
44	55	Moderately Differentiated Mucinous Ovarian Carcinoma In A Young Nulliparous Woman: A Rare Case Report	Dr Ridhi Suri
45	54	Carcinosarcoma Of Uterus And Fallopian Tube	Dr Ankita Singla
46	53	Coexistence Of Ovarian Cancer And Abdominal Tuberculosis : A Rare Clinical Entity	Dr Nishu
47	52	A Rare Case Of Bilateral Yolk Sac Tumor : Clinical Features And Management	Dr Menka Verma
48	51	Rare Genital Malignancy In An Adolescent Girl: A Rare Case Report	Dr Taniya
49	50	Awareness Regarding Symptoms And Screening Of Cervical Cancer In Females Attending Obs & Gyne Casualty In Pgims Rohtak	Dr Pinky Yadav
50	49	Analysis Of 12 Years Data On Epidemiology Of Adolescent And Young Adults' Carcinoma In A Tertiary Cancer Centre In South India.	Dr P Md Zaheeruddin
51	47	Evaluating Diagnostic Precision Of Intraoperative Frozen Section Analysis In Gynaecological Specimens	Dr Manvi Tiwari
52	46	Cytological Diagnosis Of Neuroectodermal-Type Tumor Of Ovary: A Case Report	Dr Parkhi Mehta
53	45	Comparison Of Bone Marrow Sparing Radiotherapy Using Volumetric Modulated Arc Therapy (Vmat) And Intensity Modulated Radiotherapy (Imrt) On Dosimetric Parameters In Cervical Cancer Patients.	Dr Shivangi Agnihotri
54	42	Prognostic Impact Of Pathologic Staging On Dfs In Ovarian Clear Cell Carcinoma	Dr Saurav Kumar
55	41	Postmenopausal Bleeding By Caverosus Hemangioma Mimicking Endometrial Carcinoma	Dr Parul Bhugra

56	40	Bilateral Ovarian Teratoma Mimicking Malignant Ovarian Mass: An Unusual Presentation	Dr Rutushree Pattnaik
57	39	A Rare Case Of Triple Negative Breast Cancer With Brca1 And Mlh1 Variants: Case Report And Review Of Genetic Implications And Management	Dr Avik Mandal
58	38	A First-Time Case Report Of Primary Cervical Lymphoma Presenting In Early Pregnancy	Dr Deepak Bose
59	36	Mucinous Ovarian Cancer: A 5-Year Institutional Experience	Dr Rajat Choudhari
60	35	“Undifferentiated Endometrial Carcinoma, Rare And Aggressive Subtype: Posing As Diagnostic Dilemma”	Dr Ishita Nagda (Pathology Pg Resident)
61	34	Objective Response And Toxicity Evaluation With Different Bladder Filling Volume On Intensity Modulated Radiation Therapy In Carcinoma Cervix	Dr Priti Minakshi
62	32	Flaring Of Female Genital Tuberculosis Following Chemotherapy- A Rare Case	Dr Pratima Kalra
63	31	Title: A Rare And Interesting Case Of Angiomyxoma Of Genital Tract	Dr Varsha Motwani
64	30	A Study Of Modifiable And Non-Modifiable Risk Factors Of Breast Carcinoma In The Indian Population	Dr Shubham Rajak
65	29	Distribution And Clinicopathological Analysis Of Malignant Ovarian Tumours: A Three-Year Retrospective Study	Dr Arti Kumawat
66	28	Expression Of Er, P53, Cea And Napsin A In Subtyping Of Endometrial Carcinoma	Dr Saumya Shivkumar-Saxena
67	27	Superficial Spreading Carcinoma Of The Cervix: Early Detection And Surgical Management	Dr Shilpa Kumari
68	26	Primary Lymphoma Of The Ovary :18 Year Oncology Institutional Experience Of A Rare Occurrence	Dr Aishwarya Toshniwal
69	25	Epitheloid Leiomyosarcoma Of Broad Ligament:Diagnostically Challenging Case	Dr Sanjana Prajapati

70	24	A Rare Case Report: Simultaneous Stic Lesions In Fallopian Tube And Regional Lymph Node Without Stromal Invasion.	Dr Pallavi Mourya
71	23	Advancing Ovarian Cancer Research Through Comprehensive Biobanking Initiative At Rgcirc	Dr Diksha Mehta
72	22	Reduction In Tumor Volume On Pre Brachytherapy Mri Scan In Patients Of Carcinoma Cervix Being Treated With Concomitant Radio-Chemotherapy- Its Impact On Brachytherapy Planning, Toxicities, And Survival	Dr Shilpa Pati
73	20	Ovarian Torsion In Premenarchal: A High Index Of Suspicion	Dr Ravneet Kaur Bhagat
74	19	Glassy Cell Carcinoma Cervix	Dr Rahul
75	18	Identification Of Differentially Expressed Genes In Hepatocellular Carcinoma Among The Indian Population By Bioinformatics Analysis	Dr Smita Hegde
76	17	Myocyte Enhancer Factor 2A-Cisplatin Synergy: A Novel Promising Therapeutic Strategy For Overcoming Resistance In Cervical Cancer	Dr Rajat Hegde
77	16	Sarcomatoid Carcinoma Of The Vulva	Dr Simran Kataria
78	15	Epigenetic Regulation Of Hormone Receptor Expression In Breast Cancer: Integrating Dna Methylation And Immunohistochemistry Profiling	Dr Manisha Gupta
79	14	Correlation Of Frozen Section Diagnosis With Paraffin Histopathological Diagnosis In Suspected Ovarian Cancer—A 8 Year Study Study From Tertiary Care Center.	Dr Richa Pawar
80	11	Dynamic Shifts In Quality Of Life For Gynecological Cancer Patients: A Cross-Sectional Analysis Of Pre- And Post-Treatment Perspectives	Dr Saloni Chadha
81	9	Reversal Of Promoter Hypermethylation In Hic1 Gene In Mcf7 Breast Cancer Cells Using Curcumin	Dr Manjari Sharma
82	8	Inflammatory Myofibroblastic Tumor Of The Uterus Masquerading As Malignancy: A Case Report	Dr Deepshikha Rana
83	7	Mir-379/656 Cluster Activation Increases Cisplatin Sensitivity In Cervical Cancer	Dr Aishath Shaheeda

84	6	To Study The Treatment Outcomes And Adverse Events Of Neoadjuvant Chemotherapy Followed By Chemoradiotherapy With Image Guided Radiation Therapy In Carcinoma Cervix Involving Para Aortic Lymph Node	Dr Saumya Negi
85	4	Effects Of Hormone Replacement Therapy On Serum Lipid Profile In Postmenopausal Women	Dr Azmat Jahan Mantoo
86	3	Advancing Prognosis : Current And Emerging Biomarkers In Endometrial Cancer	Dr Azmat Jahan Mantoo
87	2	Exploring Role Of Mir-127/136 Mirna Cluster Overexpression In Cervical Cancer: Implications For Tumor Suppressive Potential	Dr Roopal Behera
88	1	Pipelle Endometrial Biopsy Vs Conventional Dilatation & Curettage To Diagnose Endometrial Pathology In Abnormal Uterine Bleeding	Dr Swati Mishra
